**SQUAD NEWSLETTER, SPRING 2010**

Membership Renewal

Please ensure that you renew your Croxley TC membership. All players attending squads must be members of Croxley TC. Membership renewal details have been sent out by email so please complete & return to our Membership Secretary as soon as possible.

Adult/Carer Category

This membership category allows you to play with your child at the club when ever courts are empty. We hope that many of you will take advantage of this. More time spent on court will help your child to improve quicker.

Junior Summer Tournament 2010

Entry forms can be found with the membership renewal information. We run competitions in different age group categories ranging from Mini Tennis Red up to Junior (18&Under). Entry is free of charge & we would like to encourage all juniors to enter.

Saturday Pay & Play

Sessions are run by Colin Williams on Saturday afternoons.

Mini Tennis Red - 2.30pm

Mini Tennis Orange - 3.30pm

Squad members can attend for just £1

Timed Tennis

As part of the Junior Squad fee we will be running a Timed Tennis event each

term. This will give all squad members using the yellow ball the chance to play matches that will count towards their rating. Please look out for our Timed Tennis event in the Summer Term.

Competition

We will be holding several Matchplay days during the summer term providing competition for all ages. We would strongly encourage you to take part & put into practice what you are working on in squads. The best way to improve is a combination of coaching & competing so please check the dates below & find out when you can play.
